LEAD Receives ComponentSource Publisher and Best Selling Product Awards

Charlotte, NC (March 29, 2010) - LEAD Technologies wins several awards for bestselling publisher and bestselling product from the world's largest marketplace and community for software components and development tools, ComponentSource.

LEAD Technologies receives the overall ComponentSource Top 25 Bestselling Publisher Award for 2009-2010. Additionally, LEAD Technologies receives the ComponentSource Top 10 Bestselling Publisher Award in Japan 2009-2010. LEAD Technologies is ranked 8th of all publisher sales by ComponentSource in Japan.

The LEADTOOLS Medical Imaging, LEADTOOLS Document Imaging, LEADTOOLS Imaging Pro, and LEADTOOLS Multimedia SDKs each receive an overall ComponentSource Top 100 Bestselling Product Award for 2009-2010. Both the LEADTOOLS Multimedia SDK and the LEADTOOLS Medical Imaging SDK receives ComponentSource's Top 50 Bestselling Product in Japan award.

 "These awards are based on real orders placed with us by customers, they represent the true global commercial software component and development tool marketplace survey for 2009-2010." added Sam Patterson, CEO of ComponentSource, *"We continued to receive feedback from our customers that the ComponentSource Bestselling Product and Publisher Awards help them further understand how the components and tools that they are evaluating or purchasing are valued and purchased by their peers."*
