DEPLOYMENT LICENSE APPLICATION
Return to LEAD Technologies, Inc. Licensing Department
Fax – 704-372-3789
Mail – 1927 South Tryon Street, Suite 200, Charlotte NC 28203 USA
Email – licensing@leadtools.com

Please complete this form in its entirety. This Deployment License Application allows LEAD to identify the licenses you will need to complete and deploy your software project developed with LEADTOOLS. LEAD will process the application and provide you with a firm license fee quotation and necessary license documents.

Section IV.   Deployment Information

- Which of the following best describes your expected deployment scenario?

__ A. Developing software for internal use by employees, contractors and vendors of my company.

__ B. Developing software for resale to customers or for commercial consumption/use by the public.

If you selected A, please complete **Section A**. If you selected B, please complete **Section B.**

A. Internal Deployment
- Type of Deployment: ____ Single-user PCs ____Mobile Devices ____ Server
  (check all that apply)   ____ Web Server ____ Multi-user device (kiosk/scan station)
  ____ Other (please describe_____)

- Quantity of Deployments: ____ Single-user PC ____ Mobile Device ____ Server ____Web Server
  ____ Multi-user device (such as kiosk/scan station) ____ Other

- If Server deployments, how many total cores across all servers: ____

- Are you purchasing maintenance for your deployment licenses?
  ____ Y ____ N

Note: For software to be deployed internally, once the application form has been processed, LEAD will issue License Certificates for the licenses you purchase along with your runtime license file and, if applicable, the server license mechanism..

B. Commercial Deployment
- Type of Deployment: ____ Single-user PCs ____Mobile Devices ____ Server
(check all that apply)   ____ Web Server ____ Multi-user device (kiosk/scan station)
  ____ Other (please describe_____)

- Quantity of Deployments: ____ Single-user PC____ Mobile Device ____ Server ___Web Server
  ____ Multi-user device (such as kiosk/scan station) ____ Other

- If Server deployment, how many cores for target machine: ____

- If Mobile device, will your application be commercially available via App Store, Windows Store, etc.
  ____ Y ____ N

- What is your target retail price for your software: ____

Note: For commercial software, LEAD will send you a Commercial Distribution License Agreement for execution once your application has been processed.

The undersigned warrants that the information contained in this report is true, complete and accurate in all respects.
